Komplek Permata Buah Batu No. A3

I am a Telkom University student majoring in Telecommunication Engineering, I have the ability to adapt well and have a high enthusiasm for trying something new. Communicative, creative and collaborative are the principles that I maintain to this day when entering the professional world of work.

Work Experience

**PT. Trans Indonesia Supercorridor - Artha Gading Niaga Bloke 11,
12, 15A. Kelapa Gading, Jakarta 14240 Indonesia.**

2023

Internship

- Active in coordinating with superiors to prevent errors in work.
- Create data in Microsoft Excel regarding the results of experiments on IP Addresses.
- Able to carry out sudden tasks such as going to Cibubur to maintain the server so that there is no decrease in performance
- Join the team to establish relationships with external parties, prepare meeting reports, and be responsible for communication within the team.
- Making approaches to corporate partners by helping to install new equipment in the server room

**PT. Telekomunikasi Seluler - Jl. Gatot Subroto No. Kav. 52,
Kuningan Bar., Kota Jakarta Selatan.**

2024

Internship

- Actively participate in meetings to resolve existing problems, for example, finding out whether the antenna that has been installed is sufficient.
- Help workers to record antenna data, which does not yet cover an area using the QGIS.
- Participate in field surveys, to see the condition of antenna towers in several locations.
- Collaborated with Huawei vendor team on technical specifications, equipment installation timelines, and field analysis.
- Holding Jabodetabek BTS data to see antennas in several locations that need to improve their performance

Education Level

**Telkom University - Jl. Telekomunikasi No. 1, Terusan Buah Batu Bandung 40257,
Jawa Barat, Indonesia**

2021

- Participate in all learning activities very well.
- Studied topics related to signals, transmission, and networks such as electronics, data communication networks, programming, etc.
- Actively participate in activities carried out by the department.

Organisational Experience
